There are 10 different Europark -
Facts-publications. Each
provides you with specific
information on a certain topic
involving the Euro-park
international industrial estate
located between Coevorden and
Emlichheim. The *EuroparkFacts*
are factual and to-the-point. A
list of these publications is
provided on the back page.

Partners and companies of the Europark

Names and addresses of companies and partners

The Europark is a large industrial estate on the Dutch-German border located between Coevorden (NL) and Emlichheim (D). The location and logistics facilities as well as the possibilities for subsidies are Europark's strong points.

In these Europarkfacts you can find the names and addresses of companies, that have already decided to settle on the Europark. Organizations listed on the back page, work close together with Europark.
